The Magic of Composting 2009

Sign up now for these informative seminars! Learn how easily you can transform your kitchen scraps and backyard cuttings into rich compost for your plants and gardens. **Two different seminars are available.**

Vermiculture – Composting Food Scraps with Worms

Backyard – Traditional Composting with Yard Waste and Other Organics

Due to the popularity of these seminars, we require a \$10 reservation fee per seminar; or attend both on the same day for \$15.* Each seminar is limited to the first 50 registrants.
